The Honorable Marco Rubio, Speaker
Florida House of Representatives
1000 SW 57th Avenue, Suite 200
Miami, FL 33144-5120

Dear Marco:

It was truly a pleasure to see you recently during the University of Miami Human Genomic Institute Press Conference. I am thankful that through such efforts, we can provide medical doctors a new research facility and a novel approach to biomedical research so that we can prevent, detect and treat more diseases. I could not be more honored to serve the People of the Sunshine State, and I look to our future with great excitement.

Please do not hesitate to call upon me, and I hope to see you again soon!

Best Personal Regards,
